Subject: RE: Statutory Language Drafting Request - BB0388

Hi Joe,

We would like to keep the JCF reporting requirement and make it an annual requirement. We would also like to eliminate the requirement that DWD and DOR make a recommendation on the continuation of the credit. Maybe something like:

SECTION 13. Nonstatutory provisions.

(1) JOINT FINANCE REVIEW. No later than June 30, **2013 of each year**, the department of workforce development, in conjunction with the department of revenue, shall submit to the joint committee on finance a report describing the impact of the tax credits under sections 71.07 (6n), 71.28 (6n), and 71.47 (6n) of the statutes, as created by this act, on unemployed veterans in this state ~~and shall make a recommendation to the committee as to whether the tax credits should continue.~~ The report shall also specify the number and type of businesses that have claimed the credits under sections 71.07 (6n), 71.28 (6n), and 71.47 (6n) of the statutes, as created by this act. Within 14 working days after the submittal date of the report, the cochairpersons of the committee shall notify the department of workforce development and the department of revenue that the committee has scheduled a meeting for the purpose of reviewing the recommendation. The recommendation may be implemented only upon approval of the committee.

Thanks Joe!

Emily,

With regard to the veterans employment tax credit, there is no sunset for that credit. The nonstatutory provision in Act 212 (which I have included below) requires DWD and DOR to submit a report to the joint committee on finance and make a recommendation as to whether the credit should continue. In order to implement any recommendation to discontinue the credit, a bill must be drafted and then approved by the committee, both houses of the legislature, and the governor.

I can repeal the nonstatutory provision from Act 212, but all that really does is keep DWD and DOR from reporting to joint finance on the efficacy of the credit. Is that consistent with your intent?

Here's the nonstat:

SECTION 13. Nonstatutory provisions.

(1) JOINT FINANCE REVIEW. No later than June 30, 2013, the department of workforce development, in conjunction with the department of revenue, shall submit to the joint committee on finance a report describing the impact of the tax credits under sections 71.07 (6n), 71.28 (6n), and 71.47 (6n) of the statutes, as created by this act, on unemployed veterans in this state and shall make a recommendation to the committee as to whether the tax credits should continue. The report shall also specify the number and type of businesses that have claimed the credits under sections 71.07 (6n), 71.28 (6n), and 71.47 (6n) of the statutes, as created by this act. Within 14 working days after the submittal date of the report, the cochairpersons of the committee shall notify the department of workforce development and the department of revenue that the committee has scheduled a meeting for the purpose of reviewing the recommendation. The recommendation may be implemented only upon approval of the committee.

Extend the Disabled Veterans Employment Tax Credit under s. 71.07(6)(n).
The credit was set to expire pending a report from DWD to JCF by June 2013. The sunset is in nonstat language, so I'm not sure if stat language is required or not.
